PROFILE Location : Bengluru

Full Stack Developer with internship experience in building and deploying interactive web applications using **Django**, **React.js**, and **Firebase**. Boosted backend efficiency by 20% through **Python code optimization** and accelerated deployment time by 40% using **CI/CD tools**. Developed secure **blockchain-based systems** for digital evidence verification and received faculty recognition for innovation. Built responsive **UIs** and integrated **RESTful APIs**, enhancing usability and cross-platform performance.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science & Engineering

Jul 2022 – Jun 2025

Dr. A.P.J. Abdul Kalam Technical University, (Prasad Institute of Technology, Jaunpur)

Lucknow, Uttar Pradesh

RelevanCoursework: Web Development, Full Stack Development

Diploma in Mechanical Engineering

Jun 2016 - May 2019

Shri Ramswaroop Memorial University . Lucknow

Lucknow, Uttar Pradesh

Relevant Coursework: Manufacturing Techniques, Machine Operations

High School (Class 10)

Mar 2015 - May 2016

St Al-Haneef Educational Center, (CBSE)

Ramnagar, Chandauli

INTERNSHIP

$Full\ Stack\ Developer\ Intern(SUMMER\ TRAINING)$

Jul 2024 – Sep 2024

Techpile Technology Pvt Ltd

- Engineered and launched **real-time web applications with Django and JavaScript**, achieving 99.9% uptime and processing **10+ daily form submissions during a 3-month internship**.
- Integrated **RESTful APIs using Django and JavaScript** for real-time data exchange, and optimized backend logic through efficient Python code refactoring, reducing response time by 20%.
- Managed version control using Git and GitHub, and collaborated in 10+ Agile/Scrum ceremonies including sprint planning, daily stand-ups, and retrospectives, using tools like JIRA to support efficient team workflows and project tracking.
- Deployed **web applications** on **Netlify and Heroku**, reducing deployment duration by 40% and strengthening understanding of **CI/CD pipelines** and **frontend-backend integration**.

PROJECT

Blockchain-Based Evidence Protection System (Major project)

Technologies Used: Solidity, Ethereum, IPFS, Python, Flask, Django, MySQL, HTML, CSS, JavaScript

- Architected and developed a full-stack application to store and verify over 5+ digital evidence files using
 the Ethereum blockchain. Programmed 3 smart contracts in Solidity to ensure immutable and transparent
 data storage.
- Integrated IPFS for decentralized file storage with Flask/Django backend handling transaction logic. Configured a MySQL
 - database to manage 50+ metadata entries and hash values linked to blockchain records.
- Implemented the system on a Ganache local testnet, demonstrating 10+ full lifecycle transactions, including uploads, hash generation, and blockchain confirmation for secure evidence handling.
- Awarded 'Best Presentation' by faculty out of 4 project teams for innovation and real-world application potential.

News Portal Website(Mini Project)

Technologies Used: React.js, Django, Bootstrap, REST APIs, HTML, CSS, JavaScript

- **Designed and built** a fully featured news portal using **React.js and Bootstrap**, improving load time by **30%** with responsive layouts and clean UI components.
- Optimized **UI/UX for desktop and mobile**, boosting engagement by 40%, and **created 10+ reusable components** to support scalable development.

SKILLS

Frontend Development: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap, Framer Motion

Backend Development: Django

Database: MySQL

Programming Languages: Python, C++, JavaScript

Version Control & Deployment: Git, GitHub, GitLab, Netlify, Vercel

Development Tools: VS Code, Chrome DevTools,

Testing & Debugging: Console Debugging, Unit Testing (Python), Error Handling

API Integration: REST APIs, JSON, Fetch/Axios

UI/UX & Web Design: Responsive Web Design, UI Components, Browser Compatibility

Certifications:

Full Stack Development

Python Programming

Languages Known:

Hindi: Read, Write, Speak,

English: Read, Write, Speak

Urdu: Read, Write, Speak

Farsi: Speak, Read

Current Address:

101, 6th Main Rd, Old Madiwala, Jay Bheema Nagar,1st Stage, BTM 1st Stage, Bengaluru, Karnataka 560068

Decleration:

I declare that all the information provided above is true to the best of my knowledge and belief.
